Repairs to ARP lorry No.MYS/A.671
(Ambulance van)

REF: 1) D.O.No.6532/S., dated 23rd February 1942, from the Secretary, Public Works Department, to the Chief Engineer in Mysore, to spare P.W.D.lorries for A.R.P.works.

2) D.O.No.929 dated 3rd March 1942, from the Superintending Engineer, Mysore Circle, to the Executive Engineer, Mysore Division, according sanction to send P.W.D.lorries to the A.R.P. Office.

F 3) Government Order No.2440-43/W., dated 27th November 1942, intimating that the Inspector-General of Police is empowered to sanction repairs to ARP vehicles to a limit of Rs.100 and in special urgent cases, this limit may be exceeded and it will be provisionally admitted in audit pending sanction of Government.

.....

I have the honour to state that the above lorry which is lent from the Public Works Department has been converted into Ambulance van at a total cost of Rs.944. Since the lorry was an old one, it was giving trouble now and then and the lorry was opened by the mechanic of the City Municipalit The following are necessary for the lorry to bring it to running condition.-

1) Ford V8 Cylinder Head Gaskets - Nos.2
2) Front sprint, second, third & fourth plates.
3) Shallack varnish - one bottle
4) Speedometer - wire and worm - One
5) Distributor caps - Right and left -- Two
6) Head lamp glass -- Two
7) Spark plugs .. Three
8) Headlamp bulbs .. Two

Quotations were called for, for the same and the cost of the above articles would be roughly Rs.200/-. Since a heavy sum is spent on this lorry for converting it into an ambulance van, it will not be worthwhile to have it lying idle and as without the above spare parts and repairs the vehicle cannot be put to use, I request that early sanction may kindly be communicated to get these spare parts and to effect the repairs at a cost of Rs.200.

As this is a specially urgent repair and as market rates are going higher everyday, I request that sanction may kindly be accorded as per G.O.No.2440-43/W of 27th November 1942, pending sanction of Government.
